**DETAILED ACTION**

1. Claims 18-22 and 28-32, and 39-40 have been presented for examination.

Claims 1-17, and 23-27 have been cancelled.

**Response to Amendments**

2. The 101 rejections are withdrawn in view of Applicants amendments of the claims.

**Information Disclosure Statement**

3. The information disclosure statement (IDS) submitted on 6 May 2009 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the Examiner has considered the IDS as to the merits.

**Examiners Amendment**

4. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeffrey Habib, 42615, on May 19, 2009.

The application has been amended as follows:

- i) Regarding Claims 19-22. Remove the term "method" and replace with the term "system."

Claims 19-22: ~~method~~ system

**Allowable Subject Matter**

5. The following is an examiner's statement of reasons for allowance: claims 1-20 are considered allowable since when reading the claims in light of the specification, none of the references of record alone or in combination disclose or suggest the combination of limitations specified in the independent claims, specifically:

The recitation with respect to claim 18 of steps b(ii) and b(iii) in combination with steps c, and d. See specification of instant application section 2.3 with respect to exploration space.

The recitation with respect to claim 28 of steps c(ii) (1) and (2). See specification of instant application section 2.3 with respect to exploration space.

The claims are rendered statutory since they explicitly recite a processor, memory, and execution. See Page 11 of the specification of the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
